Scott

I have copied the Wetlands team in OWOW who can see about staffing both of those opportunities with key stakeholders.

Hey Travis!

Who is the key EPA person for a wetlands discussion with outdoor sportsmen? I need someone to support Janet McCabe during a stakeholder roundtable on Mar 29th. It's with women leaders in the outdoors, so perhaps someone female would be best.

Also, I have a group of sportsmen requesting a meeting with the Administrator on April 16 regarding Bristol Bay/Pebble Mine. They've met with Dennis McLerran and Bob S. several times and working with Wayne Nastri (former R9 RA). They seem to all be in agreement that this should be brought to the Administrator's attention during their April sportsmen conference in DC. Will need a strong team of EPA wetlands folks involved as well.

Thank amigo,
